*ComingSoon.net* has your exclusive first look at the new poster for **Moving McAllister**, starring Ben Gourley, [Mila Kunis](#), Jon Heder and Rutger Hauer. Directed by Andrew Black and written by Gourley, the comedy opens in theaters on September 14.

Gourley plays Rick Robinson, a ladder-climbing law intern from Miami with four days until the Bar Exam. Desperate to score points with his boss, McAllister, he commits to a favor he can't afford. He ends up in a rundown truck headed to L.A. with his boss's possessions, his Hollywood-bound niece, and her pet pig. Amidst hitch-hikers, breakdowns, and assorted local yokels, Rick finds love, life and maybe himself in this trans-American road trip from hell.
